

The interface displays a 3D map of the Guadeloupe archipelago. A regatta route is shown with a dotted line and arrows. A boat icon labeled 'Jlb' is positioned at the start of the route. The map shows the islands of Guadeloupe, with a boat icon labeled 'GS' near the main island. A compass rose is visible, showing a heading of 201°. The speed of the boat is indicated as 16.6 nds. The time taken for the route is 04:26:01. The interface includes various navigation and control elements:

- Top Left:** IMOCA logo, a 3D view button, and a speaker icon.
- Top Center:** A menu icon, an eye icon, and a time selection menu (Off, 15:37, +1h, +2h, +3h, +4h, +5h).
- Top Right:** An 'EXPERT' button, a chat icon, and a user profile icon.
- Bottom Left:** A 'HELP' button and a '3D' view button.
- Bottom Center:** A compass rose showing a heading of 201° and a boat icon labeled 'Jlb'.
- Bottom Right:** A speed indicator showing 16.6 nds, a zoom in/out control, and a scale bar for 10 milles.
